Step Into the Future of Sports Chiropractic

The ICSC Upper and Lower Extremity Seminar – a hands-on course designed to elevate your skills and open doors, networks and opportunities for growth internationally.

 100% hands-on instruction with demonstrations, scenarios, and practical assessments. Learn techniques to elevate your skills with athletes and physically active patients.

 Connect with global leaders in sports chiropractic. Three unforgettable days of learning, networking, and inspiration.
Open opportunities for networks on the world stage

Brought to you by our Sponsors:

Be in the Room! 100% hands on

EXPLORE CHALLENGING PATIENT SCENARIOS THAT DON'T FOLLOW THE TRADITIONAL RECOVERY PATH. LEARN INNOVATIVE TECHNIQUES FOR MANAGING COMPLEX OR "OUT-OF-THE-BOX" INJURIES AND ELEVATE YOUR CLINICAL PROBLEM-SOLVING SKILLS.
